Point 1:

Determiners (**a, an, the, some**) come **before nouns** and give nouns added meaning.

1. I bought a hat.
2. I bought an old hat.
3. I bought the hat.
4. I bought some hats.

Point 2: We use **a / an** when we **introduce a singular noun**. We use **an** if the **noun or adjective starts with a vowel sound**.

1. I have a bike.
2. I have a new bike.
3. I have an apple.
4. I have an old bike.

Point 3: We use **some** to introduce an **uncountable noun or plural noun**.

1. I have some pain in my arm.
2. She has some money for me.
3. We have some pets.
4. I made some cookies.

Point 4: We use **the** when the speaker and listener both know what is being discussed.

1. I got the drinks for the party.
2. I like the new cafe.
3. When is the meeting?
4. Who is the new guy at work?
