Hello, my name is Syuzan. I am from Armenia. My question is, do you have a big yard?

I live in a village. We have a big yard in front of our house. There are a lot of trees and flowers there. We grow vegetables and fruits. I don't take care of our yard. My grandfather takes care of it. We also have animals there. My grandfather keeps many pigs and chickens. We don't have a dog. I usually walk in our yard. I relax there. I read books there.
