## What shop sells cheap clothes?

Hello, my name is Dandara. I'm from Brazil, and my question is, what shop sells cheap clothes?

There is a shop near my house. It's called Forever 21. This shop has good prices. It sells jackets, t-shirts and pants. Jackets cost about \$30. Pants cost about \$15, and t-shirts cost about \$10.

I like to go there. My mom also loves going there. She likes to buy t-shirts because she thinks t-shirts are very cheap there. My brother does not like to go there. He doesn't like shopping. My sister and I often go there together. We like to buy jackets there.

What about you? What shops sell cheap clothes where you live?
