What are you doing now?

Hey guys, what's up? This is Todd from ELLLO, and in this video we're going to look at the present continuous.

So now I am standing in a farm field, and I am holding the camera, and I am taking a video of this. I'm hoping that this video comes out nice, and it's very clear today. It's a great day. The sun is shining and it's not raining, and the wind is blowing a little bit, but that's okay. It's kind of nice. It's nice and breezy. And basically today, I am having a good time. I am enjoying myself and I'm looking forward to seeing my family later tonight. So yeah, that's what I'm doing right now.
